**General Statements Regarding the 2021 Fall Term**

The latest update from Ontario's Ministry of Colleges & Universities indicates that if vaccination rates and public health indicators continue improving, universities will be permitted to resume in-person instruction and activities in Fall 2021, without physical distancing or capacity limits. Masks in indoor settings will still be required. Source: [uofteng.ca/covid19](https://uofteng.ca/covid19).

The University of Toronto encourages all members of our community to become vaccinated against COVID-19. The University requires students living in residence during the 2021-2022 academic year to be vaccinated against COVID-19. Source: [uoft.me/residence2021](https://uoft.me/residence2021).
